Verification Statement

The material listed above has been subject to independent verification using the Nature's Barcode™ system to be legally harvested, manufactured, traded and exported. This provides assurance of species, traceability and conformance with regulatory requirements at every stage of the supply chain back to origin of harvest.

The product supply chain is monitored and controlled through document collection and verification using ISO inspection guidelines, and a combination of regular on-site assessments and scientific testing.

Documentary evidence that supports this statement has been compiled.

This docket has been produced for use by Timberlux S.r.l. and should not be copied or distributed to or used by any other party without the prior written approval of DoubleHelix.
